USDA CHILD NUTRITION PROGRAM

We are proud to work with the United States Dept. of Agriculture to provide the Youth that call **Caliente Youth Center** their home with a balanced and nutritious meal program.

We contract with USDA to serve the School Breakfast Program, the National School Lunch Program, and Afterschool Care Snack Program for the Youth living in our residential care programs. We comply with the new meal patterns implemented by the Healthy, Hunger-Free Kids Act of 2010 to increase the availability of fruits, vegetables, and whole grains to our Youth.

MORE INFORMATION ON THE NATIONAL SCHOOL LUNCH PROGRAM

The National School Lunch Program is a federally assisted meal program operating in public and non-profit private schools and residential child care institutions. It provides nutritionally balanced, low-cost or free lunches to children each school day.
