Visit to Murphy Bernadini & Caseload Pro Demonstration

Mr. Munoz provided a positive overview of the visit/tour of Murphy Bernadini and the demonstration of Caseload Pro. He stated he received great feedback from both youth and other JJOC members that attended.

Mr. Munoz would like to do additional tours at Jan Evans in Reno and China Springs in Gardnerville. He stated that all JJOC members will be welcome to attend these upcoming tours.

Facility Tour – Jan Evans

Ms. Bellows will reach out to the Director of Juvenile Services in Washoe County to schedule a tour of the detention facility on the morning of May 11th. If there are court hearings, youth and other JJOC members may sit in.

New Business

Specialist Bittleston shared with the group that Mayra Rodriguez-Galindo will represent Nevada, as both a youth member and JJOC member at the National Coalition of Juvenile Justice Conference in Washington DC in June.

Mr. Munoz discussed the role of the youth members in the JJOC going forward. He, and the JJOC co-chairs believe that integrating them into the various committees and having them sit with, and help facilitate, the co-chairs. This will help with their growth as members of the JJOC.
