Review Committee Reports

Meeting Minutes from 2/9/18 and 4/11/18 were distributed to the group. There were no suggested amendments for either meeting. Jaqueline (Jackie) motioned to approve the minutes, Katherine (Katie) seconded the motion, and all committee members approved.

Discuss and Assign Youth Members to Other Committees

Ms. Bellows identified committees that each Youth member can be added to. Ms. Bellows will have Sierra Fowzer work with the Youth members to verify what works best with each of their schedules and will get them assigned to said committee(s). Ms. Bellows has tentatively assigned Mayra to the Risk Assessment committee, Katie to the Strategic Plan committee, and Jackie to the Data and Performance Measurement committee. Kierra is already working closely with Pauline Salla-Smith as a co-chair of the SAG Planning committee. Emmanuel Torres will look over his work schedule and verify which committee will work best for him. Sierra Fowzer will do additional follow-up with each member as needed, to ensure assignment to an additional committee.

Schedule Another Tour

Mr. Munoz suggests waiting until some time in September for a tour of the Jan Evans facility in Reno. Sierra will work with Youth committee members to verify school and work schedules for the Fall, then will reach out to Liz Flores at Jan Evans, to establish a date/time to tour the facility. This group hopes to be able to sit in on a couple court cases as they are heard, as well. This date will be given to the group as September draws closer.

New Business

Ms. Bellows shared that a 6th (and final) member is currently working on his application for appointment to the Juvenile Justice Oversight Commission. Stanley Rendon came highly recommended to this committee, as a former parolee from Las Vegas. As soon as Stanley turns in his application, Nikki Haag at the Governor's Office will work diligently in completing his appointment. This group will formally introduce Stanley after receipt of his official appointment.

The next Youth Committee meeting is set for Wednesday, July 11, 2018 at 1:30pm.
