

Nevada Juvenile Justice Oversight Commission

Committee Report

March 1, 2019

Committee: Risk Assessment Committee

Committee Co-chairs: Jo Lee Wickes, Jack Martin

Date of meetings held since last Commission Meeting: None.

Date of next meeting: To Be Determined – see MAYSI-2 below

Action Items In-progress/Pending:

- Per the work plan, there are 2 items to be completed in the Risk Assessment area: developing quality improvement process with the vendor and determining quality assurance report back to the full JJOC.
- Per the work plan, there are 4 items to be completed in the mental health screening (MAYSI-2) area: determining the time line for development of a statewide policy, developing quality improvement guidelines with the vendor, developing quality improvement process with the vendor and determining the quality assurance report back to the full JJOC. At the November 5, 2018, subcommittee meeting, the members had voted to ask NAJJA and/or the Silver State Detention Association to develop a draft policy for the subcommittee's review. Co-chairs Martin and Wickes have recently received a document prepared by National Youth Screening and Assessment Partners (NYSAP) entitled the "Essential Features of Policy and Procedure Documents Describing Administration and Use of the MAYSI-2." Co-chairs Martin and Wickes will review the document, contact NAJJA representatives seeking their comments and input and schedule a meeting to review and draft a statewide policy.
