NEVADA SYSTEM OF CARE STRATEGIC PLAN
A Snapshot of Quarterly Accomplishments

<p style="text-align: center;">FAMILY-DRIVEN AND YOUTH-GUIDED SUPPORT DEVELOPMENT</p> <p><i>Activities that support the inclusion of youth and families in all levels of SOC.</i></p>	<ul style="list-style-type: none"> • The Youth M.O.V.E. Nevada Chapter continued to recruit new members and hold meetings to generate the authentic youth voice; and selected priority activities for the upcoming months. Mental Health Stigma and Bullying. • Daily System of Care (SOC) and children’s mental health information is being distributed over Nevada PEP and Youth M.O.V.E. Nevada social media accounts. • The family and youth voice are present at the SOC workgroup meetings. • SOC materials, policies, and forms are being reviewed for SOC and family friendly language. • SOC Workforce Development activities/training workshops include the family and youth voice in partnership with mental health staff. • Mobile Crisis Response Teams refer rural, Washoe, and Clark families to Nevada PEP for peer support. • Families were engaged to participate in the Readiness Implementation Measure Study. • Family and youth representatives were trained by NWIC in Wraparound. • Youth M.O.V.E. Nevada is working on an anti-stigma campaign. • Youth and Family voice was provided at the CMHI training. Family voice was provided at the CANS training. • Youth and family representatives along with the SOC partners attended the Federation of Families Conference. •
<p style="text-align: center;">NEVADA SOC PROGRAM DEVELOPMENT</p> <p><i>Activities that support the Nevada SOC infrastructure (i.e. development of training and evaluation systems, monitoring of implementation).</i></p>	<ul style="list-style-type: none"> • A System of Care retreat was held November 2, 2017. Approximately 90 individuals participated in the retreat representing SOC staff, providers and family and youth other system representatives. Decisions were made regarding wraparound staying under the oversight and provision of DCFS and all feedback from the retreat has been collected and put into an action plan. • SOC staff, stakeholders and family and youth representatives attended the Building Bridges Conference in October 2017. Nevada was selected to receive a grant from the Annie E Casey Foundation to implement a BBI Initiative in Nevada and planning for this Initiative has begun. • SOC staff and select subgrantees attended the Advancing School Mental Health Conference and gained valuable information pertinent to our school based mental health initiatives. • There are over 431 children and families served by the SOC to date. • The SOC social media strategy now includes frequent postings to Twitter and Facebook and is connected to PEP’s social media program. The SOC is now part of the DCFS website and has a list of all trainings on the site as well as registration link. • The SOC electronic newsletter continues to be distributed on a regular basis. • The SOC will now have all their trainings on the Nevada Partnership for Training Website. Participants can register for all SOC trainings and will be able to get CEU’s. • The target population definition has been-updated for SOC. • Wraparound training for staff and sub grantees from the National Wraparound Implementation Center (NWIC) has been completed and supervision and coaching is ongoing. • Baseline data collection for wraparound fidelity is in process. • Training efforts on data collection protocol continues on ongoing-basis. • Data is currently being cleaned and shared with the SOC subcommittees for planning purposes. • The second RIMS survey was completed to measure readiness and implementation. • A survey using the “Rating Tool for Implementation of the System of Care Approach” was completed. Highlights from the findings were presented to the SOC Subcommittee during its August 2017 meeting.
<p style="text-align: center;">SYSTEM LEVEL ACCOMPLISHMENTS</p> <p><i>Activities that support the alignment of children’s</i></p>	<ul style="list-style-type: none"> • Discussions continue with other states to explore models for the alignment of funds to support the SOC. • Nevada Medicaid has agreed to the implementation of the Child and Adolescent Needs and Strengths assessment tool for DCFS and is now considering its use as a tool to determine service intensity. • Discussions continue regarding the development of a children’s services waiver and state amendment programs for possible adaptation and adoption within Nevada. This option aims to include wraparound services. SAMHSA is helping with Technical Assistance in this area.

<p><i>mental health systems with SOC principles.</i></p>	<ul style="list-style-type: none"> • Collaboration continues with the Division of Public and Behavioral Health to implement CCBHCs across the state. • The provider enrollment package is complete. It contains enrollment forms and provider standards for training as well as wraparound standards. • Standards have been created for providers in the System of Care. New standards developed include: wraparound and SOC training, provider enrollment, LGBTQ, provider standards, complaint process, child and youth rights and responsibilities (rev.). • SOC has completed initial quality assurance review of all sub grantees and provided a corrective action plan where needed. This will continue on a quarterly basis along with sustainability planning. • DCFS has established that High Fidelity Wraparound will continue to be provided exclusively by the state. Eligibility criteria are being refined to ensure we serve WIN serves children and families that are of the highest need by wraparound and plans have begun for development of a tiered case management model for other children and families. • DCFS has established that the SOC subcommittee will be the open meeting where issues regarding Medicaid funding such as a waiver will be discussed and drafted prior to the 2019 Nevada Legislative session.
<p>PROVIDER DEVELOPMENT</p> <p><i>Activities that support the development and expansion of providers consistent with SOC principles.</i></p>	<ul style="list-style-type: none"> • Workforce development trainings on SOC topics continued. This includes, but not limited to, Systems of Care, cultural competence, wraparound, suicide awareness and prevention and working effectively with LGBTQ+ identified youth. • SOC currently has approximately 8 trainings developed with additional training under development for SOC providers. The SOC also supports training done by other providers. Over 1500 people have attended trainings by the SOC since 1/1/17. • As of 12/2017 DCFS received a grant from the Annie E Casey Foundation to implement Building Bridges Initiative across all residential programs in Nevada both public and private. • SOC staff have developed a training on Medicaid billing for providers that resulted in one subgrantee becoming sustainable without further funding from the SOC grant.
<p>SERVICE ARRAY DEVELOPMENT</p> <p><i>Activities that support the development and expansion of evidence-based interventions consistent with SOC principles.</i></p>	<ul style="list-style-type: none"> • A review of possible evidence-based practices to consider for Nevada’s Service Array is ongoing. • SOC continues to work with Duke University to provide training and consultation on the Together Facing The Challenge model for specialized foster care providers. • The SOC has also funded additional programs for FY 18 as part of its service array development. Funding has been increased to open two additional school based health centers, a rural Intensive Outpatient Program and a Positive Behavior Intervention Support program for our psychiatric hospital and correctional facilities. • The SOC has begun geo mapping the service array within the state to identify gaps in service and to provide a tool for families to identify service availability in Nevada. • The SOC has funded a PBIS initiative for youth correctional facilities and our youth acute psychiatric facility. • All WIN staff have been trained in the latest wraparound curriculum and continue to receive ongoing training and support from the National Wraparound Implementation Center.

NEVADA SYSTEM OF CARE STRATEGIC PLAN
Supplement One

The following update to the Nevada System of Care Strategic Plan contains notes on action steps and progress completed to date. A column labeled “Progress Update” was added and updates are noted. Additionally, strategies and the outcomes/benchmarks were amended to increase clarity (changes are noted in red). When appropriate, future activities planned for year two of the grant are noted.

Goal 1: Generating support from stakeholders for the transition of DCFS for direct care to an oversight function.

Generate support among families and youth, providers, and decision policy makers at state and local levels, to support expansion of the SOC approach, transitioning the Division of Child and Family Services, Children’s Mental Health from a direct care provider to an agency that primarily provides planning, provider enrollment, utilization management through an assessment center, technical assistance and training, continuous quality improvement.
