

Nevada ICPC Financial/Medical Plan

Child's Name: _____ UNITY Case#: _____

Child's Date of Birth: _____ Gender: Male Female

The child listed is Title IVE Eligible: Yes No

The child listed is SSI Eligible: Yes No

Request for PARENT HOME STUDY

- Parent will meet child's financial and medical needs with their own resources or with public assistance.

Request for Unpaid RELATIVE HOME STUDY (Check BOTH Boxes)

- Placement resource is capable of and willing to provide financially for the child with their own resources or with public assistance.
- The resource is capable of and willing to provide medical coverage for the child.

Request for FOSTER HOME STUDY/LICENSE (paid placement)

- Nevada will pay a foster care payment once the home is licensed.
- Child is **IV-E eligible and** under C.O.B.R.A. entitled to receive Medicaid or equivalent from the receiving State.
- Child is **not IV-E eligible**. The placement resource should apply for medical assistance in the receiving State. Nevada will provide a Medicaid Card and/or reimburse the child's medical expenses if the resource is unable to secure medical coverage.

Request for ADOPTION HOME STUDY

- Foster Adoption: The home must be foster licensed to receive foster payments and Medicaid while the adoption is pending. Nevada will negotiate for subsidy to be paid upon finalization.
- Relative Adoption: The placement resource is capable of and willing to provide financially and medically for this child until the adoption finalizes. Nevada will negotiate for subsidy to be paid upon finalization.

Adoption Only:

Placement resource is capable of and willing to provide financially and medically for the child. Nevada will negotiate for subsidy to be paid upon finalization.

Nevada is ultimately responsible financially and medically for the child and will be responsible for the return of the child to Nevada if the placement disrupts.
