- (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
  - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
  - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
  - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
  - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

8/31/2018 – A report was received alleging abuse. During the course of the open case, a referral was received on 9/10/2018 and was coded "Additional Information". CCDFS received another report by a second source on 9/10/2018 alleging abuse and the report was opened for investigation. Another referral was also received on 9/11/2018 and was coded "Additional Information". Upon conclusion of both requisite investigations, the allegations were found unsubstantiated. At the time of case closure, relevant family members were determined to be safe. The case closed.

9/11/2019 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was provided with a community resource guide for informational purposes, and the case closed.

3/16/2022 – A referral was received and was coded "Information Only".

**H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...**

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened a case for investigation and family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child and/or relevant members of the child's family or household.
