- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...
 - (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the

Date: 12/03/2021

rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

6/20/2020 – A report was received alleging abuse for a relevant family member. Upon conclusion of the requisite investigation, the allegations were found unsubstantiated. The family was provided with appropriate referrals and services based on the assessment.

9/27/2021 – A report was received alleging neglect. Court action was initiated, and a relevant family member was determined to be in need of protection. The allegations were found substantiated. The family was placed under formal supervision and a case plan was put in place. Appropriate referrals and services were provided to the family based upon assessment. The case remains open.

- H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...
 - (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
 - (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
 - (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

At the time of the near fatality, CCDFS had opened a case for investigation and family assessment. CCDFS will, continue as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.
