Child Fatality Date of Death:

Near Fatality Date of Near Fatality: 2/20/2023

Portions of information on this form have been withheld at the request of <u>(Name of agency)</u> law enforcement agency.

INFORMATION FOR RELEASE

- A. Date of the notification to the child welfare agency of the fatality/near fatality of a child: 2/20/2023
- B. Location of child at the time of death or near fatality (city/county): Las Vegas, Clark
- **C.** A summary of the report of abuse or neglect and a factual description of the contents of the report: CCDFS received a report that the child was brought into a local hospital by her adult caregiver due to the child being in physical distress. Medical assessment deemed the child to be in critical condition and she was admitted to the hospital for further care and treatment. The child has an underlying medical condition, and a concern is noted regarding the overall management of the child's condition by her adult caregiver.
- D. The date of birth and gender of child: 7/27/2009, Female
- E. The date that the child suffered the fatality or near fatality: 2/20/2023
- **F.** The cause of the fatality or near fatality, if such information has been determined: The cause of the near fatality is under investigation.
- G. Whether the agency had any contact with the child or a member of the child's family or household before the fatality or near fatality and, if so...
 - (1) The frequency of any contact or communication with the child or a member of the child's family or household before the fatality or near fatality and the date on which the last contact or communication occurred before the fatality or near fatality;
 - (2) Whether the agency which provides child welfare services provided any child welfare services to the child or to a member of the child's family or household before or at the time of the fatality or near fatality;
 - (3) Whether the agency which provides child welfare services made any referrals for child welfare services for the child or for a member of the child's family or household before or at the time of the fatality or near fatality;
 - (4) Whether the agency which provides child welfare services took any other actions concerning the welfare of the child before or at the time of the fatality or near fatality; and
 - (5) A summary of the status of the child's case at the time of the fatality or near fatality, including, without limitation, whether the child's case was closed by the agency which provides child welfare services before the fatality or near fatality and, if so, the reasons that the case was closed.

The information contained in this section is limited to contact(s) with the child who is the subject of this disclosure or a member of that child's family or household that is related to the fatality or near fatality incident. This limitation is required to preserve the confidentiality of all child abuse and neglect reports and records in order to protect the rights of the child and family as mandated by the Child Abuse Prevention and Treatment Act (CAPTA), as amended (42 U.S.C. 5101 et seq.).

CCDFS has the following prior CPS history for this child or member of the child's family or household:

12/10/2014 – A referral was received and was coded "Information Only".

10/8/2018 - A referral was received and was coded "Information Only".

12/2/2021 – A report was received alleging abuse. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. Based on assessment the family was not in need of services through CCDFS. They were provided with information regarding community resources in the event they needed additional resources. The investigation closed.

12/9/2021 - A referral was received and was coded "Information Only".

1/19/2022 – A referral was received and was coded "Information Only".

2/1/2022 – A referral was received, and based upon the factual circumstances of the report, it was referred for relevant services.

3/2/2022 - A referral was received and was coded "Information Only".

6/20/2022 – A report was received alleging neglect. Upon conclusion of the requisite investigation, the allegation was found unsubstantiated. The family was found to have services in place and did not require additional referrals from CCDFS. The investigation closed.

H. Whether the agency which provides child welfare services, in response to the fatality or near fatality...

- (1) Has provided or intends to provide child welfare services to the child or to a member of the child's family or household; and
- (2) Has made or intends to make a referral for child welfare services for the child or for a member of the child's family or household; and
- (3) Has taken or intends to take any other action concerning the welfare and safety of the child or any member of the child's family or household.

CCDFS has opened an investigation with regard to the near fatality and will complete a family assessment. CCDFS will, as deemed appropriate, provide child welfare services, make referrals for child welfare services, and/or take action concerning the welfare and safety of the child.

NON-DISCLOSURE NOTICE

The following information must not be released (see Policy on Public Disclosure of Child Fatality and Near Fatality Information, page 5): 1) Information regarding the sibling(s) of a deceased child; 2) a privileged communication between attorney and client; 3) information regarding the sibling(s) of a deceased child; 4) the name of the reporting party or individual making an allegation or referral will not be released; 5) if the disclosure of the information would adversely affect any pending investigation concerning a report (NRS 432B.290(4)-(5)); 6) if the disclosure violates other federal or state law, including, but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Family Educational and Privacy Act of 1974 (FERPA), alcohol and drug abuse patient records (42 USC §290dd-2 and 42 CFR §212 (c)(6)), and any other applicable law.
